winner of the toni morrison society book prize for best single authored book 2019 2022 critics have routinely excluded african american literature from ecocritical inquiry despite the fact that the literary tradition has from its inception proved to be steeped in environmental concerns that address elements of the natural world and relate nature to the transatlantic slave trade plantation labor and nationhood toni morrison s work is no exception toni morrison and the natural world an ecology of color is the first full length ecocritical investigation of the nobel laureate s novels and brings to the fore an unequaled engagement between race and nature morrison s ecological consciousness holds that human geographies are enmeshed with nonhuman nature it follows then that ecology the branch of biology that studies how people relate to each other and their environment is an apt framework for this book the interrelationships and interactions between individuals and community and between organisms and the biosphere are central to this analysis they highlight that the human and nonhuman are part of a larger ecosystem of interfacing and transformations toni morrison and the natural world is organized by color examining soil brown in the bluest eye and paradise plant life green in song of solomon beloved and home bodies of water blue in tar baby and love and fire orange in sula and god help the child by providing a racially

inflected reading of nature toni morrison and the natural world makes an important contribution to the field of environmental studies and provides a landmark for morrison scholarship

contributions by alice knox eaton mar gallego maxine lavon montgomery evelyn jaffe schreiber shirley a stave justine tally susana vega gonzález and anissa wardi in her eleventh novel god help the child toni morrison returned to several of the signature themes explored in her previous work pernicious beauty standards for women particularly african american women mother child relationships racism and colorism and child sexual abuse god help the child published in 2015 is set in the contemporary period unlike all of her previous novels the contemporary setting is ultimately incidental to the project of the novel however as with morrison s other work the story takes on mythic qualities and the larger than life themes lend themselves to allegorical and symbolic readings that resonate in light of both contemporary and historical issues new critical essays on toni morrison s god help the child race culture and history a collection of eight essays by both seasoned morrison scholars as well as new and rising scholars takes on the novel in a nuanced and insightful analysis interpreting it in relation to morrison s earlier work as well as locating it within ongoing debates in literary and other academic disciplines engaged with african american literature the volume is divided into three sections the first focuses on trauma both the pain and suffering caused by neglect and abuse as well as healing and understanding the second section considers narrative choices concentrating on experimentation and reader engagement the third section turns a comparative eye to morrison s fictional canon from her debut work of fiction the bluest eye until the present these essays build on previous studies of morrison s novels and deepen readers understanding of both her last novel and her larger literary output

read about toni morrison s life and writings provided by publisher

toni morrison s beloved is one of the most successful novels of all time selling millions of copies internationally and inspiring critical commentary from scholars of the highest distinction its influence is such that it is studied by students of literature around the world and is often cited as one of the most significant books of modern times however its popularity belies its difficulty many find the novel hard to read struggling with its structure and occasionally fragmented style this guide is designed to help readers engage with this complex work and achieve a deeper understanding of its context the literary strategies it employs and the various ways in which it has been interpreted since its publication in 1987

millions of people experience symptoms of central sensitization cs and central sensitivity syndromes css such as chronic fatigue syndrome fibromyalgia and multiple chemical sensitivities yet many lack diagnoses education and resources without proper support some patients may become withdrawn suffering needlessly and possibly developing mental illness covering the syndromes within the context of central sensitization cs this book provides candid personal experience strategies for symptom management and suggested methods for coping and long term healing with easy to understand science

this comprehensive revision of the invaluable reference presents a rigorous survey of pain and palliative care phenomena across the lifespan and across disciplines grounded in the biopsychosocial viewpoint of its predecessor it offers up to date understanding of assessments and interventions for pain the communication of pain common pain conditions and their mechanisms and research and policy issues in keeping with the current public attention to painkiller use and misuse contributors discuss a full range of pharmacological and non pharmacological approaches to pain relief and management and palliative care is given expanded coverage with chapters on interventive ethical and spiritual concerns pain intercultural

communication and narrative medicine assessment of pain tools challenges and special populations persistent pain in the older adult practical considerations for evaluation and management acute to chronic pain transition in the post surgical patient evidence based pharmacotherapy of chronic pain complementary and integrative health in chronic pain and palliative care the patient s perspective of chronic pain disparities in pain and pain care this mix of evolving and emerging topics makes the second edition of the handbook of pain and palliative care a necessity for health practitioners specializing in pain management or palliative care clinical and health psychologists public health professionals and clinicians and administrators in long term care and hospice

almost as soon as club culture took hold during the uk s second summer of love in 1988 its sociopolitical impact became clear with journalists filmmakers and authors all keen to use this cultural context as source material for their texts this book uses that electronic music subculture as a route into an analysis of these principally literary representations of a music culture why such secondary artefacts appear and what function they serve the book conceives of a new literary genre to accommodate these stories born of the dancefloor dancefloor driven literature using interviews with irvine welsh author of trainspotting 1994 alongside other dancefloor driven authors nicholas blincoe and jeff noon as case studies the book analyzes three separate ways writers draw on electronic dance music in their fictions interrogating that very particular intermedial intersection between the sonic and the linguistic it explores how such authors write about something so subterranean as the nightclub scene and analyses what specific literary techniques they deploy to write lucidly and fluidly about the metronomic beat of electronic music and the chemical accelerant that further alters that relationship

new york times best seller a beautiful arresting story about race and the relationships that shape us through life by the legendary nobel prize winner for the first time in a beautifully produced stand alone edition with an introduction by zadie smith a puzzle of a story then a game when morrison called recitatif an experiment she meant it the subject of the experiment is the reader zadie smith award winning best selling author of white teeth in this 1983 short story the only short story morrison ever wrote we meet twyla and roberta who have known each other since they were eight years old and spent four months together as roommates in st bonaventure shelter inseparable then they lose touch as they grow older only later to find each other again at a diner a grocery store and again at a protest seemingly at opposite ends of every problem and at each other s throats each time they meet the two women still cannot deny the deep bond their shared experience has forged between them another work of genius by this masterly writer recitatif keeps twyla s and roberta s races ambiguous throughout the story morrison herself described recitatif a story which will keep readers thinking and discussing for years to come as an experiment in the removal of all racial codes from a narrative about two characters of different races for whom racial identity is crucial we know that one is white and one is black but which is which and who is right about the race of the woman the girls tormented at the orphanage a remarkable look into what keeps us together and what keeps us apart and how perceptions are made tangible by reality recitatif is a gift to readers in these changing times
