an updated penetrating and balanced analysis of one of the most contentious issues in america today offering a historically informed portrait of immigration americans have come from every corner of the globe and they have been brought together by a variety of historical processes conquest colonialism the slave trade territorial acquisition and voluntary immigration in this very short introduction historian david a gerber captures the histories of dozens of american ethnic groups over more than two centuries and reveals how american life has been formed in significant ways by immigration he discusses the relationships between race and ethnicity in the life of these groups and in the formation of american society as well as explaining how immigration policy and legislation have helped to form those relationships moreover by highlighting the parallels that contemporary patterns of immigration and resettlement share with those of the past which americans now generally regard as having had positive outcomes the book offers an optimistic portrait of current immigration that is at odds with much present day opinion newly updated this book speaks directly to the ongoing fears of immigration that have fueled the debate about both illegal immigration and the need for stronger immigration laws and a border wall

with a timely new chapter on immigration in the current age of globalization a new preface and new appendixes with the most recent statistics this revised edition is an engrossing study of immigration to the united states from the colonial era to the present

beginning with the chinese exclusion act of 1882 a study of american immigration policy traces the evolution and influence of america s frequently inconsistent and cumbersome policies on immigration discussing such topics as the refugee policies adopted after world war ii cold war policies and immigration policy during the war on terror

immigration in american history is a concise examination of the experiences of immigrants from the founding of the british colonies through the present day the most recent scholarship on immigration is integrated into an accessible narrative that embraces the multicultural nature of u s immigration history keeping issues of race and power at the center of the book organized chronologically this book highlights how the migration experience evolved over time and examines the interactions that occurred between different groups of migrants and the native born from the first interactions between the native americans and english colonizers at jamestown to the present day debates over unauthorized immigration the book helps students chart the evolution of american attitudes towards immigration and immigration policies and better contextualize present day debates over immigration the voices of immigrants are brought to the forefront in a poignant selection of primary source documents and a glossary and who s who provide students with additional context for the people and concepts featured in the text this book will be of interest to students and scholars of american immigration history and immigration policy history

thoroughly revised and expanded this is the definitive reference on american immigration from both historic and contemporary perspectives it traces the scope and sweep of u s immigration from the earliest settlements to the present providing a comprehensive multidisciplinary approach to all aspects of this critically important subject every major immigrant group and every era in u s history are fully documented and examined through detailed analysis of social legal political economic and demographic factors hot topic issues and controversies from amnesty to the u s mexican border are covered in depth archival and contemporary photographs and illustrations further illuminate the information provided and dozens of charts and tables provide valuable statistics and comparative data both historic and current a special feature of this edition is the inclusion of more than 80 full text primary documents from 1787 to 2013 laws and treaties referenda supreme court cases historical articles and letters

from the earliest days of nationhood the united states has determined who might enter the country and who might be naturalized in this sweeping review of us immigration policies bill ong hing points to the racial ethnic and social struggles over who should be welcomed into the community of citizens he shows how shifting visions of america have shaped policies governing asylum exclusion amnesty and border policing written for a broad audience defining america through immigration policy sets the continuing debates about immigration in the context of what value we as a people have assigned to cultural pluralism in various eras hing examines the competing visions of america reflected in immigration debates over the last 225 years for instance he compares the rationales and regulations that limited immigration of southern and eastern europeans to those that excluded asians in the nineteenth century he offers a detailed history of the policies and enforcement procedures put in place to limit migration from mexico and indicts current border control measures as immoral he probes into little discussed issues such as the exclusion of gays and lesbians and the impact of political considerations on the availability of amnesty and asylum to various groups of migrants hing s spirited discussion and sophisticated analysis will appeal to readers in a wide spectrum of academic disciplines as well as those general readers interested in america s on going attempts to make one of many

a companion to american immigration is an authoritative collection of original essays by leading scholars on the major topics and themes underlying american immigration history focuses on the two most important periods in american immigration history the industrial revolution 1820 1930 and the globalizing era cold war to the present provides an in depth treatment of central themes including economic circumstances acculturation social mobility and assimilation includes an introductory essay by the volume editor

immigration writes maldwyn allen jones was america's historic *raison d'être* reminding us that the history of immigration to the united states is also the history of emigration from somewhere else mr jones considers the forces that uprooted emigrants from their homes in different parts of the world and analyzes the social economic and psychological adjustments that american life demanded of them adjustments essentially the same for the jamestown settlers and for vietnamese refugees as well as measuring the impact of america on the lives of the sixty million or so immigrants who have arrived since 1607 he assesses their role in industrialization the westward movement labor organization politics foreign policy the growth of american nationalism and the theory and practice of democracy in this new edition jones brings his history of immigration to the united states up to 1990 his new chapter covers the major changes in immigration patterns caused by changes in legislation such as the immigration and nationality act of 1965 it is done with a grasp of regional chronological national and racial information plus that feel for the situation which can come only from the vast resources and a gift for interpretation a t degroot christian century a scholarly contribution based on a thorough mastery of the subject carl witke journal of southern history

america today is witnessing the largest and most sustained wave of immigrants its borders have ever seen although factors like the great depression world war ii and quota restrictions had slowed the massive influx of europeans from the early part of the 20th century policies like the 1965 immigration and nationality act have relaxed quotas and opened america's doors to hundreds of thousands of immigrants a year from both eastern and western hemispheres to reach a height of over 9 million immigrants in the 1990s today immigrants and policy makers alike grapple with issues regarding employment education refugee status and family reunification as well as illegal immigrants many from mexico whose legal immigration alone accounts for more than 20% of immigrants in the us despite this this comprehensive reference source allows a glimpse of the same motivating factors that drove earlier immigrants through ellis island's gates the promise of economic opportunity and the hope of a better life over 700 entries address topical and timely aspects of modern us immigration including bilingual education domestic work employer sanctions gangs gender homeland security migrant education posttraumatic stress disorder stereotypes

this invaluable resource investigates u.s. immigration policy making connections between the ethnic and religious affiliations of immigrants and trends in immigration both legal and unauthorized u.s. immigration policy ethnicity and religion in american history is rich with data and document excerpts that illuminate the complex relationships among ethnicity religion and immigration to the united states over a 200 year period the book uniquely organizes the flow of immigration to the united states into seven chapters covering u.s. immigration policymaking the open door era 1820-1880 the door ajar era 1880-1920 the pet door era 1920-1950 the dutch door era 1950-1985 the revolving door era 1985-2001 the storm door era 2001-2018 each chapter analyzes trends in ethnicity or national origin and the religious affiliations of immigrant groups in relation to immigration policy during the time period covered

this engaging textbook is a concise overview of a sweeping topic american immigration immigration is core to the history of america a nation of immigrants who are diverse by definition beginning with the first arrival of migrants from asia africa and europe and ending with a discussion of the united states at the turn of the 21st century this book offers an unflinching analysis of the complex relationship between america's national solidarity and ethnic diversity

a readable and comprehensive exploration of the history and the current issues surrounding u.s. immigration policy

this second edition builds on the first while making significant changes that reflect new trends in the study of american immigration history the field was first centrally defined in the mid twentieth century but the study of immigrants from europe asians and latinos were not considered immigrants people who settled permanently in the united states they were considered birds of passage people who did not experience the same social processes of incorporation and assimilation as did europeans as immigration from asia and latin america to the united states surged in the last third of the twentieth century scholars began to pay more attention to their experiences

both historical and contemporary a much more diverse and inclusive portrait of the american immigration experience has emerged

in this text two historians offer competing interpretations of the past present and future of american immigration policy and american attitudes towards immigration through essays and supporting primary documents the authors provide recommendations for future policies and legal remedies

immigration is a hot topic in the united states what kind of immigration should be allowed how should immigrants who have come into the united states illegally be treated what about the dreamers refugees seeking asylum will building a border wall keep out illegal immigrants and stop the flow of drugs into the u s might improving technology offer a better answer students will learn about the issues surrounding immigration and border security while discovering how they can get involved in helping to find a solution

listen to a short interview with mary watershost chris gondek producer heron crane salsa has replaced ketchup as the most popular condiment a mosque has been erected around the corner the local hospital is staffed by indian doctors and philippine nurses and the local grocery store is owned by a korean family a single elementary school may include students who speak dozens of different languages at home this is a snapshot of america at the turn of the twenty first century the united states has always been a nation of immigrants shaped by successive waves of new arrivals the most recent transformation began when immigration laws and policies changed significantly in 1965 admitting migrants from around the globe in new numbers and with widely varying backgrounds and aspirations this comprehensive guide edited and written by an interdisciplinary group of prominent scholars provides an authoritative account of the most recent surge of immigrants twenty thematic essays address such topics as immigration law and policy refugees unauthorized migrants racial and ethnic identity assimilation nationalization economy politics religion education and family relations these are followed by comprehensive articles on immigration from the thirty most significant nations or regions of origin based on the latest u s census data and the most recent scholarly research the new americans is an essential reference for students scholars and anyone curious about the changing face of america

one of the most contentious issues in america today is the status of immigration american immigration and citizenship shows that this issue is far from new in this book john vile provides context for contemporary debates on the topic through key historical documents presented alongside essays that interpret their importance for the reader the author concludes that a highly interconnected world presents no easy answers and offers no single immigration policy that will work for all time the book includes a mix of laws constitutional provisions speeches and judicial decisions from each period vile furthermore traces the interconnections between issues of citizenship and issues of immigration indicating that public opinion and legislation has often contained contradictory strains although the primary focus has been on national laws and decisions some of the readings clearly indicate the stakes that states which are often affected disproportionately by such laws have also had in this process

in a historical overview of u s immigration the authors examine legislative and legal battles being waged over immigration policy whether minority issues can be resolved by developing a more explicit settlement policy and whether the contract between state and immigrant would change if we fully understood the immigrant s legitimate needs

this book explores the way government policy and popular responses to immigrant groups evolved throughout u s history particularly between 1800 and 1965 the book concludes with a summary of events up to contemporary times as immigration again becomes a hot button issue provided by publisher

a sweeping narrative history of american immigration from the colonial period to the present a masterly historical synthesis full of wonderful detail and beautifully written that brings fresh insights to the story of how immigrants were drawn to and settled in america over the centuries nancy foner author of one quarter of the nation the history of the united states has been shaped by immigration historians carl j bon tempo and hasia r diner provide a sweeping historical narrative told through the lives and words of the quite ordinary people who did nothing less than make the nation drawn from stories spanning the colonial period to the present bon tempo and diner detail the experiences of people from europe asia africa and the americas they explore the many themes of american immigration scholarship including the contexts and motivations for migration settlement patterns work family racism and nativism against the background of immigration law and policy taking a global approach that considers economic and personal factors in both the sending and receiving societies the authors pay close attention to how immigration has been shaped by the state response to its promises and challenges
